Our **Moonshine Ultra Effect Amethyst Purple Ultra Shimmer** can be used to darken the outer corner and crease of the eyes and help to create, depth and dimension.

The **Moonshine Effect Violet Shimmer** can be used along the lower lash line to make the eyes stand out.

The **Moonshine Effect Gold Shimmer** can be used on the inner eyelid to make eyes pop.

Layer our pressed powder formulation **Twilight Purple Satin Pressed Eyeshadow** (DT0029) across the eyes.
